Norton Museum of Art

Carl Hiaasen
Special Guest

The West Palm Library Foundation's *Food for Thought* is our premier annual gathering and fundraiser, bringing Foundation patrons and friends together with Table Hosts who lead lively conversations. Guests select their table based on preferences of gathering with an author, entertainer, or a community notable, while enjoying an evening of fine dining and stimulating banter, as well as being entertained and inspired by the award-winning journalist and author, Carl Hiaasen.

Proceeds support our Library Foundation's mission to make the quality programs, services, and resources at the Mandel Public Library free to our community.
